

Baycliff Civic League
Minutes of the General Membership Meeting
September 25, 2006

Call to Order

The meeting was called to order by President Bill Westerndorf at 7:05 P.M. in the cafeteria of Alanton Elementary School.

Attendance

A membership count was taken. There were 57 people in attendance. A quorum was established.

Announcement

Bill Westerndorf announced change in meeting order. Due to guest speaker Mayor Myra Oberndorf, who had another engagement elsewhere after 8 P.M., we would hear from the Mayor first, along with Councilman Jim Wood. The Mayor spoke for one hour, touching on the three most important issues brought to her attention from our neighborhood questionnaire.

- 1- Concern regarding speeding in our neighborhood
- 2- City taxes
- 3- Oceana and it's future

Jim Wood took over at 8 p.m. to answer any questions, as Mayor Myra Oberndorf had to leave.

Minutes

Bill Westerndorf announced no minutes would be read, due to meeting running over time.

Treasurer's Report

Bill Swank was brief going over copy of Treasurer's Report handed out.

Fall Festival

Sandy Barea spoke briefly about this year's Fall Festival, which will be held on Saturday, Oct. 28th from 3-5:30 p.m. Sandy announced that Eddie Almeda volunteered to cater again this year. There will be pony rides, a petting zoo, crafts, and plenty of food. A sign up sheet went around, or you may contact Sandy directly to volunteer.

Safety Issues

A uniformed Virginia Beach Police Officer spoke about the rumors that have been going around regarding gang activity in Virginia Beach. She also advised to take brochures with you, as she had a table full of information.

Announcements

No announcements were made.

Unfinished Business

Bill Westerndorf informed us that the speed trailer was back on Baycliff Dr. He observed 4 out of 6 residents, speeding up as they passed the trailer, causing it to read top speed it was capable of registering. We are the problem, Bill stated, and asked that we all make a conscious effort to simply obey the law. This would avoid the next step, which would be to obtain 75% of Baycliff residents' signatures on a petition, which would then put into affect a mandatory \$200 minimum fine for speeding in our neighborhood.

Old Business

A question was asked regarding the outcome of the speed survey. Answer given was to read the email.

New Business

No new business.

Adjournment

The meeting was adjourned at 8:17 P.M..
